

## **Technaxx HDMI ALIEN HDD-PLAYER**

**A stable TV-HDD-Multimedia-Player for audio-, video-, music- and movie playback (with multi-lingual subtitles) as well as photo slideshow.**

The Technaxx HDMI ALIEN is equipped with a brand-new user interface for user-friendly handling. The modern design matches to many other audio- and video-devices. Photos, videos and music titles (dependent upon the movie material) **in HD quality** are played back on the TV-set (PAL and NTSC) in format 4:3 and 16:9.

Sufficient space for memory is given by the possibility to built in a 3,5"-hard drive\* (\*not enclosed in delivery). The device supports FAT32 and NTFS formatting also.

### **elegant-slim**

The HDMI ALIEN as Plug & Play-device directly is ready for use. Download all wanted data files from the computer or the internet directly on the HDMI ALIEN. Then connect the player to a TV-set & enjoy.

The HDMI ALIEN can also be used as external data memory for safety copies. Connection by a USB 2.0 port with high-speed data transfer from PC / MAC.

**Movie adventure guaranteed**  
through HDMI-connection and  
digital Audio Output!
