

Technaxx HD POCKET DV HD Camcorder

This palm sized, cute, light (65 x 95 x 25mm, 83gr) 720p HD Camcorder is pure enjoyment; you can handle it with one thumb. That easy handling is preceded by the well-arranged menu handling.

The Technaxx HD POCKET is made for people whose prefer to buy products on newest technical standard combined with good and clear handling. Videos and pictures **in HD quality** can directly been played through the TV-set (PAL or NTSC) – cables needed are enclosed in delivery content – as well as audio-clips.

The internal Flash Memory can be increased by an external memory card (SD / SDHC up to 32GB). The HD POCKET is Windows XP and VISTA compatible and allows an easy YouTube Upload. With the integrated Arc Soft Media Impression Software and the integrated USB-cable videos and photos can be downloaded directly on your PC and YouTube without prevenient installation.

more clearly arranged is not possible

The handy user manual is design for taking with you, the detailed user manual is on CD-ROM (in 5 languages).

Life can be so easy!
